## Work Hours

Don't forget that each member is required to put in 10 work hours per year. Please make sure you are submitting work hour sheets in the brown box in the clubhouse. Don't assume we know what you've done around the club...please fill out a work hours sheet. Also work hours will not be bartered for club dues.

## 2008-09 Dues

Yes, it's that time of year again! 2008-09 membership dues will be due April 1. Renewal forms will be available at the February Shoot and in the February Newsletter. Dues will again be \$100 and can be paid to either Chris Yingling or Andrea Kimura.

New club keys will be available at the June shoot.

## Chili Cook Off Winner!

We had five outstanding entries at our January 13 Chili Cook Off. Thank you to Ron Riddle, Gary Stephens (two entries), Libbi Robel and Connie Yingling for their very tasty chili. The board would like to extend a special thanks to our judges: Kevin Ferguson, Randy Ries, Mark Pearsell and Dusty Jones. Chili was judged on four criteria: aroma, consistency, red color and taste. Each category was worth 25 points. And, the winner is....Connie Yingling. Congratulations Connie!

## New Events for 2008

In February, we are changing our Game Dinner to a Family Potluck. Bring your favorite dish to share...game or otherwise. This will be a great evening for the entire family! The club will provide salad, rolls & butter and drinks.

August will be a BBQ Cook Off. More details to come, but there will be different divisions you can compete in.

September is all about the family and reconnecting with one another while getting ready for the fall hunting season. We will designate one evening per week that you can come out to the club and get a free dinner on the club. We will provide hot dogs and pop...bring your family and your bows!

We hope these events will help our Tomahawk family reconnect and reenergize our club. If you have any additional ideas or would like to serve on a planning committee, please contact any Board Member.
